ABSTRACT

Cindy Ananda Puteri Mrp, 0304182102, Students' abilities in writing descriptive text at grade seventh students of SMP Daar Al-Falah in Tanjungbalai. A Thesis, 2022 English Education Department, Faculty of Tarbiyah and Teachers Training, State Islamic University of North Sumatera, Advisor I: Ernita Daulay, S.Pd, M.Hum, Advisor II: Deasy Yunita Siregar, M.Pd.

Writing is the most important skill that we should consider because the student must know how to write a text grammatically and correctly. Descriptive text is a piece of text that describes a place, person, or thing. This research was aimed to analysis of students' difficulties in writing descriptive text at grade seventh students of SMP Daar Al-Falah in Tanjungbalai.. In this research, researcher uses the quantitative description data. The most problems faced by the students were grammar and organization with a total mean 64.00. And based on the result of this research, there are 8 students who able in writing descriptive text by percentage 36.36%. And there are 14 students who unable in writing descriptive text by percentage 63.63%. it means that students' ability in writing descriptive text is still low. This suggested that teacher could more improve their skill in the descriptive text in an interesting way or strategy.
