**Sawaddee Dr.Ahmad Dalimunthe,**

On behalf of the SUT International Virtual Conference on Science and Technology (SUT-IVCST 2020) Organizing Committee, it is my privilege and great pleasure to thank all you attendees, presenters and contributors during the days of very great interaction amongst the 200+ delegates from 15+ countries.

Hope all of you enjoyed the activities that we hosted here down-under themed around Science and Technology through SUT-IVCST 2020 in a Zoom web conferencing platform.

I would also like to say a big Kob Kung Mak (Many Thanks) to our delegates for being part of the local program that captured and showcase the disruptive technology challenges, opportunities, experiences and engagements from THAILAND and across the world.

Thanks for your attendance and participation during the keynote session, industry sessions and opening plenary for SEATUC Workshop sessions. We enjoyed several opportunities to professionally interact with world-wide innovators, experts, technical professionals, researchers and win opportunities of recognition and peer-esteem. Hope your experiences have been similar.

We are sure that the formal program of events has provided some inspiring new ideas for a collaborative leadership of sustainable technology issues in future decade.

On behalf of the organizing committee we thank you for your participation and supporting SUT-IVCST 2020. I hope that this event has sparked in you new ideas, networking and new technology opportunities and strategies that will help shape our sector in coming decades. The conference website and Facebook pages have been uploaded with the VDOs and memories captured during the event.

I also take this opportunity to request you on behalf of SUT-IVCST to fill in the feedback form to serve better for future conferences.
