	<p>"Oh! That house has been abandoned by the owner, if I'm not wrong it's been more than 10 years." Mr. Yono answered, "If I may know again, <i>the house was abandoned by the owner</i> because of what problem, sir?" I asked again because I was increasingly curious about the house.</p>
Ziva Story	<p>Ziva really liked playing music and singing. The instrument she used to play was the guitar. It all started when Ziva joined the Band members. When the third grade in junior high school, <i>Ziva was invited by her friends</i> to form a band, but all of them were 4 men, namely Zeni, Dana, Risky and Ridho.</p>
	<p>In the end, Ziva chose Dana. It's hard to choose but between the two Ziva is more interested in Dana. Actually Ziva liked Zeni, but she saw Zeni's movements not liking her, so she gave up her hopes and then chose Dana. Dana was very happy because <i>he was chosen by Ziva</i>, Ziva apologized to Risky and Risky was sincere and happy.</p>
	<p>It was time for Ziva to graduate and get ready to go to Bogor to continue her education. <i>She was accompanied by her mother</i>, when she arrived in Bogor Ziva was looking for a boarding house with her mother.</p>

Destiny	<p>I said with feelings of sadness and emotion, "Oh yes, I hear <i>you will soon be matched by your parents</i>, she is rich, beautiful and smart as their criteria, ahahah even I do not deserve to be close to you with my condition like this".</p>
The Wedding	<p>She still does not believe that today she will get married. It was only 2 months ago. The graduation event was held and suddenly after graduation, <i>she was proposed by a junior high school friend</i> who was not really familiar with her.</p> <p>At 8 pm Layla went to Rachel's house by motorcycle. There is a writing from the killer on a used blackboard.</p> <p>"Forensic results will be out soon this afternoon. You can see it at Cermi Hospital ", said one of the police who handled this case. Traveling Massager in Marsonja	Every night, by bringing massage oil, the grandmother wanders from our village to another village to pick up customers. <i>Her feet were like being moved by the ground,</i> she just walked without the help of a stick. Never hit a tree or fell into a river.
My Last Diary	The police ignored my words and immediately took

	me to the police station. Arriving at the police station, I was placed in an interrogation room. And there, <i>I was interrogated completely by the police.</i>
Endless Sad	Fortunately Zeni has two friends, Zoe and Loly, they met during the first meeting in the campus. At that time Zeni was crying because <i>she was scolded by a senior</i> , then Zoe and Loly came to accompany Zeny.
	Zoe who never cried, now cried seeing Zeni. Sick when they see the state of Zeni and <i>Zeni's body is affixed by hospital equipment</i> . Then will Zeni recover?
Precious time	After he finished answering these questions, <i>the answer was immediately checked by the pesantren</i> . Not long after he was called by the boarding school. 	<i>tortured by Grandma."</i> he said sadly. I only smile and hold my grandfather's hand.

	It's useless to chase and always bother Kelvin, it turns out her struggle in vain. Kelvin likes other people, that's the fact. <i>Cyntia's shoulders were shaken by Kelvin,</i> instead of hearing the story from Kelvin, Cyntia was daydreaming, looking straight ahead, in vain her mouth was bragging about the story but was not heard.
	Kelvin turned Cyntia's body down, <i>he was astonished by Cyntia's attitude.</i> Wasn't Cyntia mediocre, why was it becoming so depressing now? He knew very well that something had made Cyntia's mood change suddenly.
2 useless year	<i>Finally my block was opened by him,</i> and we communicated again as usual. The reason I

When stopped at a red light, <i>she was approached by children carrying ukulele.</i> They sang cheerfully as if there were no burdens they were feeling.</p> <p>After more than a year she struggled to forget that person, and now he reappeared. Appendix 3 Interview Result

Focus of question : The purpose of passive voice

Informants : University students of UINSU TBI-4 of 2017

Question:

Untuk apa kamu menggunakan passive voice dalam menulis, missal dalam narrative text?

University students of UINSU TBI-4 of 2017 initial 'BA'

"Passive voice misalnya kayak mau menjelaskan kejadian yang misalkan kejadian *dia dibunuh* gitu, kalok terbunuh kan pake passive voice kan? Misalnya *seseorang dibunuh (someone was killed)* itukan harus pake passive voice, kalok dijadikan active voice kan gk bisa gitu"

University students of UINSU TBI-4 of 2017 initial 'EM'

"Untuk menunjukan ketertarikan kepada yang menerima tindakan. Untuk menekankan yang menerima tindakan la."

University students of UINSU TBI-4 of 2017 initial 'LD'

"Biasanya passive voice itu digunakan untuk menjelaskan kejadiannya yang tidak diketahui pelakunya, terus menjelaskan kejadian yang lebih penting yang menerima tindakan"

University students of UINSU TBI-4 of 2017 initial 'WA'

"Kita kadang pakai passive voice karena tidak tahu siapa yang melakukan tindakan misalnya *a thousand people are killed*"

University students of UINSU TBI-4 of 2017 initial 'HS'

"Biasanya itu untuk bagian yg ingin ditekankan misal kayak menekankan objek berarti kan objek yang menerima tindakan dari kata kerja, jadi untuk menekankan objeknya"

University students of UINSU TBI-4 of 2017 initial 'NAL'

"Jadi passive voice ini misal di dalam berita disebutkan seorang pelaku kejahatan tapi kan tidak disebutkan secara spesifik siapa yang melakukan kejahatan ini, makanya passive voice ini diperlukan untuk menuliskannya gitu. Jadi contohnya *the man was killed* gitu karena yang melakukan kejahatan tidak diketahui"

University students of UINSU TBI-4 of 2017 initial 'SS'

"Menurut aku passive voice itu kayak kalimat yang lebih menekankan kepada objeknya gitu sih kayak iya menekan kepada objeknya"

University students of UINSU TBI-4 of 2017 initial 'RH'

"Nah passive voice itu dia lebih focus kepada objek yang menerima tindakan atau kegiatan tersebut. Kenapa aku menggunakan passive voice itu karena disitu aku ingin lebih menunjukkan bahwa aku lebih tertarik terhadap objeknya"

University students of UINSU TBI-4 of 2017 initial 'SN'

"Passive voice itu kalimat yang digunakan untuk menekankan objeknya pada kalimat, bukan pelaku dari suatu kejadian itu, tapi yang nerima aksi itu yang ditekankan"

University students of UINSU TBI-4 of 2017 initial 'ARA'

"Kayak kalok passive voice itu menurutku biasa digunakan pada saat pertama untuk menekankan penerima tindakan. Kemudian ketika nggak tahu siapa yang melakukan tindakan tersebut. ini sering terjadi missal ada tindakan kriminal gitu kan"

University students of UINSU TBI-4 of 2017 initial 'DM'

"Jadi kalok menurutku ya kalimat pasif ini passive voice ini ya kita gunakan pas kita itu pengen fokus utamanya itu ke objek yang dikenai tindakan jadi kita itu lebih fokus sama objeknya gitu"

University students of UINSU TBI-4 of 2017 initial 'NAD'

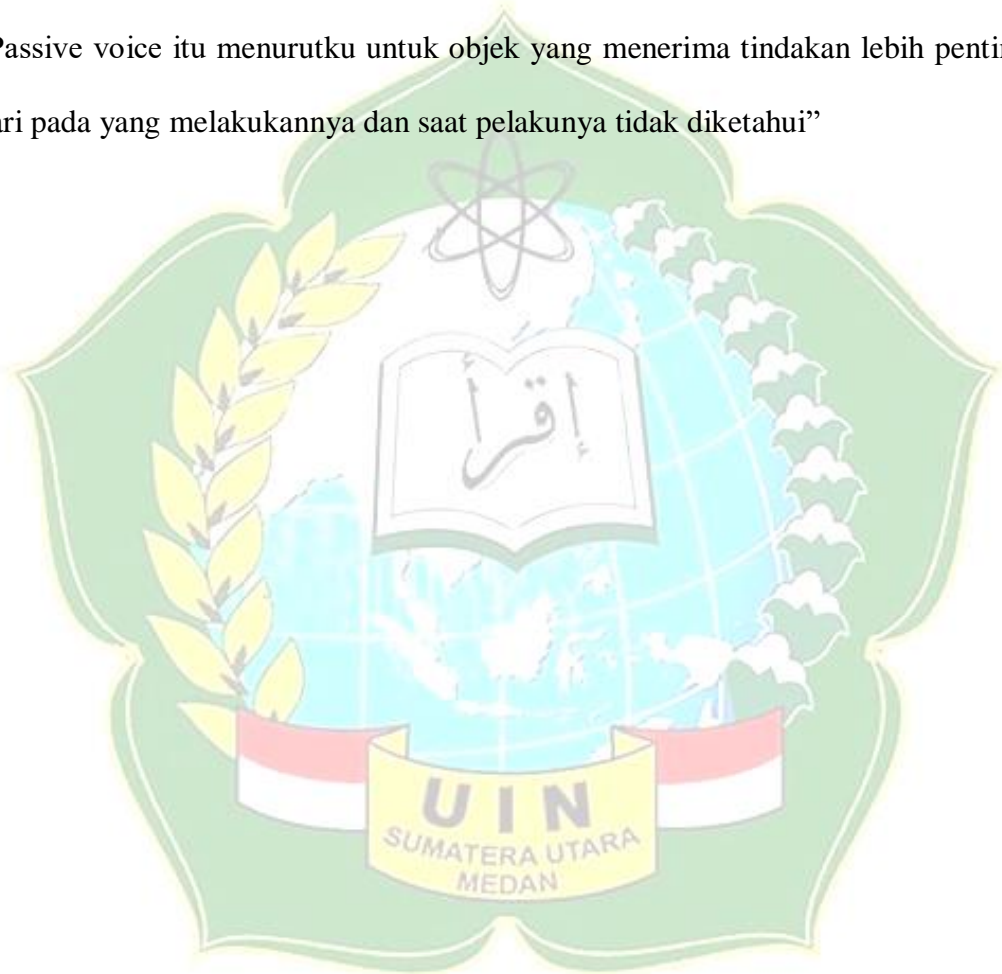

"Untuk menegaskan objek itu dikenai suatu tindakan gitu. Maksudnya dari kalimat itu kita itu perhatikan objeknya gitu jadi bukan siapa pelakunya"

University students of UINSU TBI-4 of 2017 initial 'HAP'

“Kalok aku biasanya menggunakan untuk menunjukan ketika merasa objek kalimat tersebut penting”

University students of UINSU TBI-4 of 2017 initial 'AR'

“Passive voice itu menurutku untuk objek yang menerima tindakan lebih penting dari pada yang melakukannya dan saat pelakunya tidak diketahui”
